IMPORTANT RECITAL PICTURE INFORMATION

Pictures will be held on April 25th-April 28th at the studio.

*Please read and keep for reference.

STUDENT _____

The student recital picture times have been highlighted on the attached schedule.

Hair must be worn in a bun for all ballet classes with the exception on Creative Movement and Tiny Tot classes. Make-up preferred, but not mandatory.

Color specific tights will be given out to all parent/guardian closer to the picture date. Please check the costume book in the office to be sure you know what color tights go with each costume. Be sure student has correct shoe color for each class.

All hats and hair accessories must be worn for the class pictures. If you have any questions after receiving the costume please feel free to ask.

All parents are asked to please stay in the waiting areas during pictures. If we have an issue with a student we will come and get you. This makes the shoot go smoother and helps keep the student focused on the photographer.

We will not be responsible for getting students dressed who ride the bus. We will not be having regular class. The student may still ride the bus, but it is the parent/guardian responsibility to have someone there to help the student get ready.

Please do not plan any activities too close to the student picture times. I am unable to work around individual schedules. Students who have 2 or more classes/costumes will last at least 1 ½ hour. Students who are in 4-6 costumes takes a while, please be patient. Arrive on time, I am unable to wait for students if they are late.

All students are required to come and take class picture for the souvenir program book. You are not obligated to purchase pictures. The photographer information with prices and packages is attached.

All ad pictures will be taken during these days. If you did not specify which costume you want in an ad we reserve the right to choose the best shot taken.

I cannot wait to see all of our beautiful costumes on the students!

Thank you,
Joleen Sanders
