**If the studio is closed anytime between the end of a month and the 1st and/or the 5th, it is parent/guardian responsibility to make payment ahead.*

**There is a charge for students not picked up on time after class unless arrangements have been made. Some exceptions apply, such as older students who have time in between classes. DANCE ROOM AND STUDIO POLICIES

**Students will not be allowed to run around in the dance room, hang on ballet barres, or play on acrobatic mats.*

**Students ages 10 and under will be disciplined with a "time out" for first warning of misbehavior and parent/guardian will be notified. Students 11 and up will be asked to leave the dance room and sit in the lobby for duration of class and parents will be notified. If behavior is not improved over a period of two weeks, parent will be notified and a meeting will be scheduled.*

**No food, drinks, or chewing gum is allowed in the dance rooms. Exception-Water bottles with water only will be allowed to be stored in cubby or in dance shoe changing area. I do encourage students 6 and up to bring water bottle to class. Limited time is given to leave the dance room for water/restroom breaks for students in multiple classes. *After school snacks/drinks are to be consumed in the breakroom only. Please pick up after yourself and help us keep our studio clean.*

**Leave valuables at home. The studio is not responsible for lost or stolen items.*

**Students are not allowed to wait outside of the building for their ride. Parents must come in to pick up the student.*

**No jewelry. Instructor may ask for it to be removed. Small studded earrings are okay. Large jewelry is a distraction to dancers and instructors and can also be hazardous.*

**No children are allowed to be left alone in the the lobby unless arrangements have been made with Ms. Joleen. Please pick up student immediately following their class. We are not a babysitting service, unless the student is in the after-school care program.*

**If parent or guardian is not picking up student from class, please let front desk staff know in advance. Proper identification may be asked to be shown. Please note anyone who is NOT supposed to pick up student so necessary precautions are taken.*

**You must inform the studio in advance if student is a bus rider and/or if the student will be absent from riding the bus to the studio.*

**Anyone trying a class with a friend must sign a waiver before participating.*

**Cell phones are to be turned off and put away when class begins. No vibrating or beeping, please! No texting or posting on social media is allowed during class. This means during changing shoes also. Cell Phone may be taken away by instructor and given back to student after class if this happens.*

**Monthly newsletters, reminders, costume fee dates, parades, performances etc. are sent through e-mail and/or hard copy. Please read all correspondence. Everything sent out is important!*

**Questions and concerns should be directed straight to Ms. Joleen for immediate attention. Please do not interrupt class. Do not discuss your concerns or private issues freely in the lobby. This only creates "drama" and we want our facility to be "drama free".*

****Students will not be moved into a more advanced class unless Ms. Joleen approves. Decisions for advancement are relayed to parent/guardian to make final decision for any class schedule changes. Remember it is better to be moved up than to have to move down. Students starting out in beginner classes should not be discouraged. Students advance on their own level and should not be compared to friends who may have advanced quicker. Remember this quote: "A dancer must be challenged, not overwhelmed." Unknown***
